

# SOLUTIONS

---

As a valued member of CRMLS, you have access to a comprehensive suite of **FREE** reporting, marking, and mobile products designed to enhance your business efficiency and performance. CRMLS is committed to working with emerging technology and delivering only the most cutting-edge solutions to keep you at the top of your game.

## **Cloud CMA**

Create stunning, professional CMA presentations with the full power of the CRMLS database behind you. Cloud CMA makes first impressions that win clients.

## **Cloud Streams**

Be the first to know when new or updated listings hit the market. Create property streams for clients and know instantly when they like or comment on a property. Listing alerts via email and text include property photos and agent branding.

## **CRMLS App**

Listing data from the source, in the palm of your hand. Matrix access, Homespotter, and GPS Map Search all in a mobile app.

## **CRMLS Matrix**

An industry-leading MLS platform packed with broker and agent-driven products and features you can access in seconds, wherever you are.

## **HomeSeekers App**

The California consumer home search with listing data direct from the source at CRMLS.

## **Infosparks Market Statistics**

The interactive real estate data tool that allows professionals to visually and graphically communicate market realities to clients. MarketView is a new feature within that includes agents, broker and firm variables.

## **ListHub**

Push your listings to over 85 national consumer websites! Choose where your data goes on a listing-by-listing basis, analyze traffic metrics, and rely on accuracy with listings pulled directly from the CRMLS.

# SOLUTIONS

---

## **New Home Source Professional**

Nearly 50% of home buyers consider new construction when starting their home search. Get detailed new home information with listings direct from builders in NHS Pro!

## **Paragon (Coming Soon)**

A sleek, intuitive front-end MLS interface for any and all real estate professionals. The system boasts high speeds and a host of customization options, plus a quick adoption for users at all levels.

## **ProxioPro**

Remove cultural borders with authentically translated property information, automatic currency and measurement conversion, and multilingual flyers and websites. Expand your global network and appeal to international buyers.

## **RatePlug**

Studies show agents using RatePlug sell homes faster. Provide your clients with the crucial mortgage information they need to choose their new home.

## **Realist Tax 2.0**

Provide your clients with a complete, holistic market reporting from the premier provider of California property tax records.

## **Realtors Property Resource (RPR)**

The REALTOR®-exclusive national property database created by NAR. Find hundreds of datasets on millions of properties and dynamic reporting methods, all linked with CRMLS Matrix.

---

## **CRMLS Marketplace**

Powerful products available for individual agent purchase at wholesale prices, as a result of CRMLS's negotiating power.
