

Online Listing DISTRIBUTION

When you input your listing into the MLS it reaches over **85,000** agents across California. But your exposure doesn't have to end there.

CRMLS will automatically push your listings to these MLS-approved consumer facing websites.

For even **MORE** exposure, your broker can connect to ListHub to send their listings to over **85** publishers, with the potential to reach **900+** consumer-facing home search sites through their distribution networks.

■ Visit ListHub.com for more information about how to manage your online listing distribution.

*Zillow and Trulia syndication via CRMLS is broker-directed. If your Broker has not opted-in OR has chosen to opt-in to syndication without giving agents the ability to choose their own syndication options, you will not have access to the "Manage Syndication" link in Matrix. If your Broker has opted-in to syndication and has chosen to give you the ability to choose your own syndication options, you may take the following steps: 1. Login to Matrix 2. Click on the **ADD/EDIT** tab 3. Under the **Roster** section, type your **AGENT ID** into the **Quick Modify** field and click **Edit**.
