

# California Regional MLS

# ADVANTAGES

Over 86,000 members strong, CRMLS is California's largest MLS and home to the most active property listings in the state: more than 100,000. We offer our subscribers state-of-the-art MLS technology to help their businesses grow, free training on MLS products, and on-call personal support 7 days a week. Most of all, we strive to provide our membership with true voice within their MLS, to ensure our services continue to evolve to best meet the needs of the modern real estate professional.

## MLS System of Choice

At CRMLS, you choose which MLS system works best for you: We offer CRMLS Matrix, an industry-leading platform, built for speed and in-depth searches. And (coming soon) Paragon, a sleek, user-friendly MLS system with a host of customization points.

## Product Solutions

As a valued subscriber of CRMLS, you have access to a suite of FREE reporting, marketing, and mobile products. Popular products include Realist Tax 2.0, Infosparks Market Statistics, Cloud Streams, Cloud CMA, Cloud MLX, plus the CRMLS and Homesnap Apps. Did we mention they are FREE?

## Education

CRMLS is proud to offer you a variety of FREE education options to hone your skills with your MLS products. Options include classroom training, webinars, online videos, and an online knowledgebase at [crmls.org](http://crmls.org).

## Support

Our CRMLS Customer Care team is made up of experienced, dedicated professionals available 7 days a week to get you the answers you need.
