

Cloud Agent Suite

Built with agents in mind.

Whether you need to create an amazing report in Cloud CMA, update your clients with Cloud Streams, or easily search your MLS with Cloud MLX, CRMLS opens access to three premium Cloud Agent Suite products—with Cloud Attract’s lead generation tools available at a discount.

“ Since using Cloud CMA, our listing retention went up 50% on every listing presentation that we do. It’s an amazing tool. ”

— Crystal Van Es,
Berkshire Hathaway Home Services

Key Features

Cloud CMA

Presentations That Sell. Create stunning, professional CMA presentations with the full power of the CRMLS database.

Cloud Streams

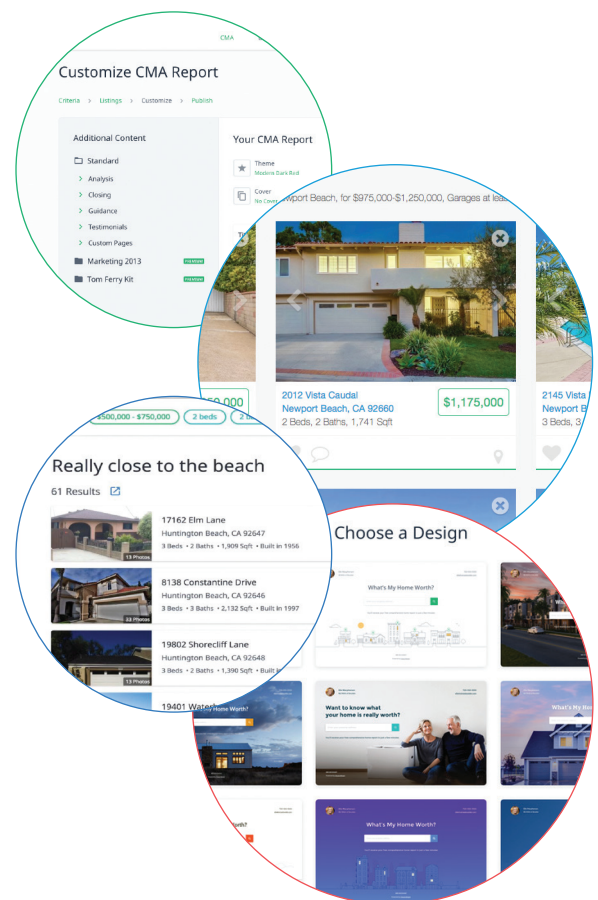

Beautiful Listing Alerts. Strengthen client relationships with ultra-fast, social media-style listing notifications.

Cloud MLX

Your MLS, Smarter. A streamlined, agent-centric MLS front end option that prioritizes search and communication.

Cloud Attract

Generate Your Own Leads. Create beautiful landing pages that automatically respond with a home valuation, CMA, or listing alerts. *Discounted for CRMLS users.*
