DISCOVER THE BREADTH OF PRODUCTS AND SERVICES AVAILABLE TO YOU

## **Cloud CMA**

A web-based report generator that uses MLS data to create custom, engaging CMA and Buyer Tour reports in the office and on-the-go.

## **Cloud MLX**

A streamlined MLS front-end that prioritizes search and communication. It allows you to search for listings with a smart search bar, create an unlimited number of uniquely-shaped map areas, and instant message with other agents.

## **Cloud Streams**

A listing alert and client collaboration tool that automatically notifies your clients with agent-branded emails about listings based on your search criteria.

## **CRMLS App**

Provides on-the-go access to CRMLS Matrix, including search options, saved searches, contacts, customer property type carts, a portfolio of listings, and the agent roster. Available for iPhone and Android.

## **CRMLS Matrix**

Matrix is the gateway to many of the products and services offered by CRMLS. It is an industry leading platform allowing agents to add, review, maintain, search, and map property listings, and much more.

## **ePropertyWatch**

An online service that generates drip email reports for your clients, loaded with information about their home and neighborhood. Features local data from CoreLogic, agent-specific branding, and advanced customization options.

## **Homesnap**

Access real-time MLS data on the go with this robust app and website. Features include Rapid CMA generation, automated Facebook ad creation, in-platform messaging, and the ability to snap photos of homes – listed or not – and find out all about them.

## **InfoSparks Market Statistics**

Transform fresh market perspectives into graphs and charts in just seconds with InfoSparks Market Statistics' sleek and intuitive interface. Fully integrated with CRMLS Matrix, InfoSparks has over a million possible data reporting combinations.

## **ListHub**

Push your listings to 85+ national consumer websites, with a potential reach of 900+ extended sites/networks.

## **MLS-Touch App**

A premier mobile MLS app that helps you search clean, reliable CRMLS data wherever you go. With MLS-Touch, you can pull up live market statistics on the go, search for comparables, and share branded, personalized apps with your clients.

## **New Home Source Professional (NHS Pro)**

NHS Pro is the most comprehensive resource for real estate professionals to stay up-to-date on new homes, communities, and builders designed exclusively for real estate professionals.

## **ProxioPro™**

Proxio provides real estate professionals with global networking and marketing services. Connect your listings to agents in over 130 countries through global syndication and automatic translation in 19 different languages.

## **RatePlug**

Empower and educate clients with real-time mortgage program and payment information directly from lending partners.

## **Realist Tax 2.0**

Realist 2.0 is the industry-leading tax product, designed to give agents a competitive advantage through efficient delivery of property-centric data.

## **Realtors Property Resource® (RPR)™**

RPR provides comprehensive data, powerful analytics and dynamic reports on over 60 million properties in the United States, exclusively for REALTORS®.

## **Remine**

Put opportunity on a map with Remine, a powerful software platform that combines property records, data visualization, tracking, and predictive analytics.

## **ShowingTime**

Eliminate repetitive scheduling calls with this MLS-integrated solution to scheduling property showings. With 24/7 system access and instant appointment confirmations via text, automated call, or mobile app, ShowingTime is scheduling solved.
