

# Product Perks

## Being a CRMLS user definitely has its perks!

CRMLS offers more technology than just Matrix. As a CRMLS user, you gain access to an array of top-of-the-line real estate products and services for free. Check out just a few of the quality products CRMLS users receive at no additional cost.

### Product

### Description

### Monthly Cost

Cloud CMA	Visually appealing, data-rich CMAs.	<del>\$35</del> \$0
Cloud Streams	Social media-style listing notifications for clients.	<del>\$35</del> \$0
Cloud MLX	Search your MLS like you search popular search engines.	<del>\$35</del> \$0
ePropertyWatch	Keep in touch with past clients with email reports on their homes.	<del>\$30</del> \$0
LionDesk	Manage contacts and automate follow-up.	<del>\$25-49</del> \$0
ShowingTime	Schedule property showings via your MLS platform.	<del>\$25</del> \$0
InfoSparks	Translates market data into graphs and charts for your clients.	MLS/Brokerage Only

Subscribing to all the products in this list alone would cost you \$185 per month if you weren't a CRMLS user. You get them at no additional cost – along with access to CRMLS training, support, and products available only via the MLS.
